I'm happy to announce that Bob Hagen will be joining the morning team and will be anchoring the newscast at 40 minutes past the hour.

As you know, Bob has been with WINS as an invaluable utility player for the past eight years. He has moved with great facility from sports reporting one morning, to street reporting the next, to anchoring the next. Bob's years of experience in radio journalism, from Chicago to Philadelphia to WNEW-AM here in New York City, will be a wonderful asset in morning drive.

Please join me in congratulating Bob!
